

Third Party Cookies

Below is a list of some of the third parties that may set cookies when you visit their website through Community Bank site. These third parties may access the cookies they set, receive your IP address, and receive other information about your browser configuration. However, these third parties do not receive information about your activities on Community Bank website. Cookies set by these third parties do not enable them to automatically collect through Community Bank any identifiable information. You can learn more about how these third parties use cookies by visiting their site.
